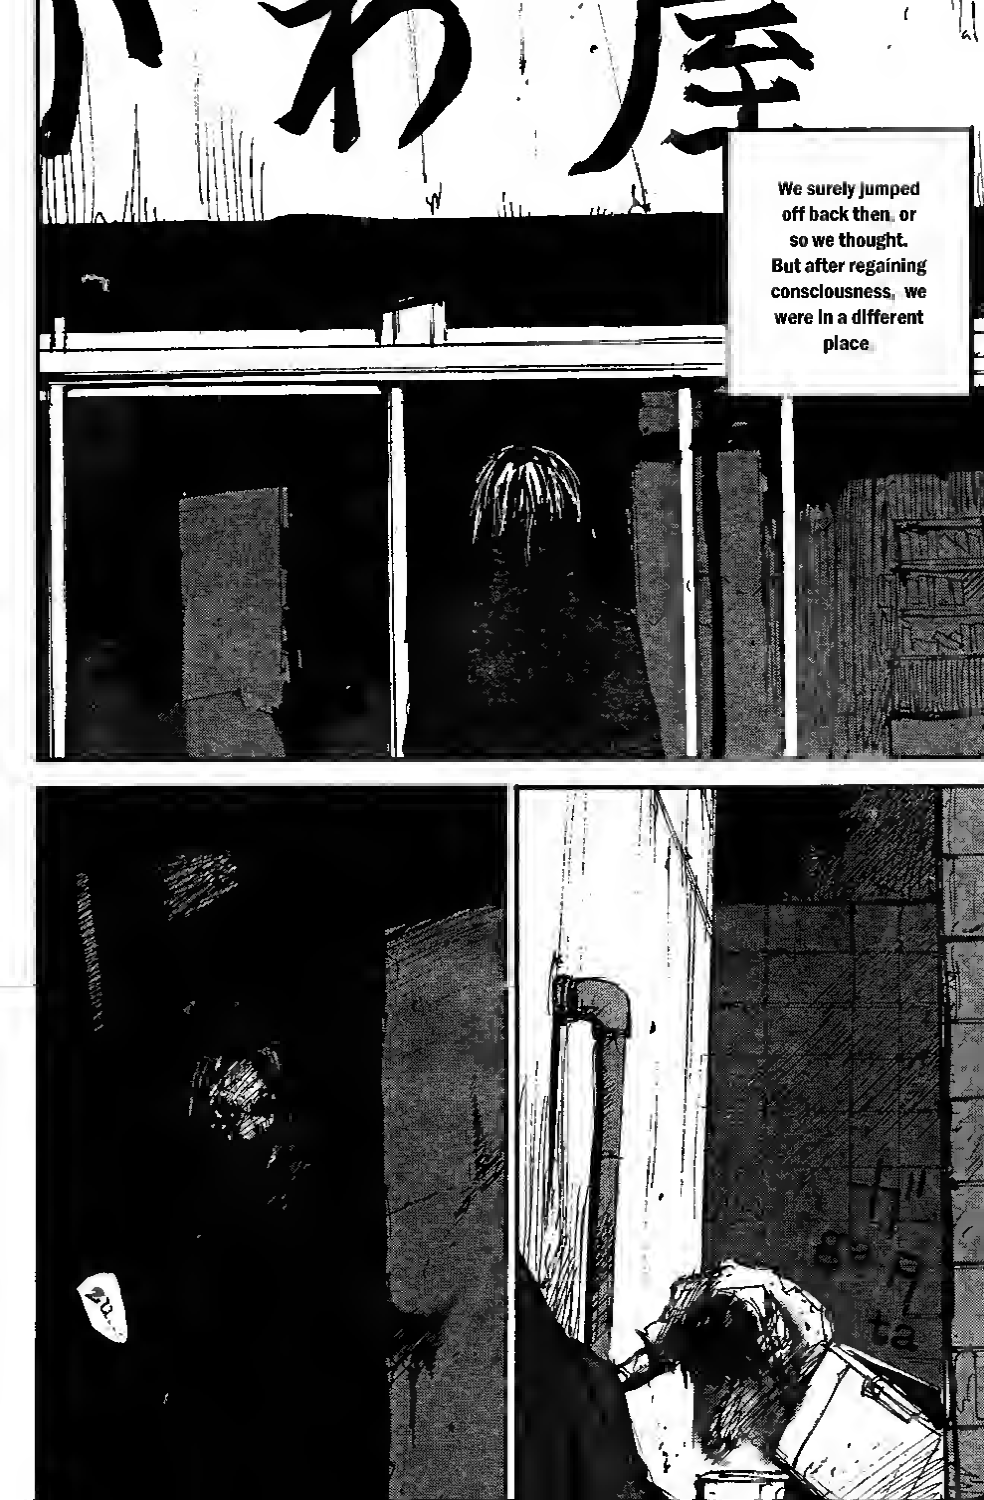
DEAD HEADS 弐瓶勉の新シリーズ!!
本誌連載作家の短編、新シリーズが読める アフタヌーン 仲夏号



We surely jumped off back then, or so we thought. But after regaining consciousness, we were in a different place.

Her (since then, she had said nothing, so her name remains unknown) body, unlike all those others who had caught the disease, did not continuously rot.

A young man who is missing fingers and a girl in a straight jacket.

The dead rule, while the living begin to resist!

The number of flies now continues to increase.
